A Solemn, Sacred Privilege

What a solemn, sacred, important work is the endeavor to represent Christ's character and His Spirit to our world! This is the privilege of every principal and of every teacher connected with him in the work of educating, training, and disciplining the minds of youth."

"Teachers are to be laborers together with God in promoting and carrying forward the work which Christ by His own example has taught them to do. They are to be indeed the light of the world, because they manifest those gracious attributes revealed in the character and work of Christ, attributes which will enrich and beautify their own lives as Christ's disciples."
