## PROFESSIONAL ORGANIZATIONS

### Association for Educational Communications and Technology (AECT)

(202) 466-4780

Regular Membership: \$65.00

Fee includes \$12 for *TechTrends* and one free division.

Holds an annual conference, usually in February or March.

### Computer Learning Foundation

P.O. Box 60007

Palo Alto, CA 94306

This organization publishes pamphlets and monographs to support computers in schools.

### Computer-Using Educators, Inc. (CUE)

(408) 496-2935

Membership dues: \$25.00

Fee includes bimonthly CUE newsletter and reduced fees to their two conferences: Santa Clara Convention Center in October and Palm Springs Convention Center in May.

### International Society for Technology in Education (ISTE)

(800) 336-5191; FAX (503) 302-3778

Individual membership: \$55.00; (if CUE member) \$46.75  
Includes either eight issues of *The Computer Teacher* or four issues of the *Journal of Research on Computing in Education*, plus membership to a Special Interest Group and a complimentary subscription to *Electronic Learning*; subscribers may order *Technology and Learning* for an additional \$12.00 per year.

### National School Boards Association/Institute for the Transfer of Technology to Education

1680 Duke Street

Alexandria, VA 22314-1403

This organization publishes a newsletter, books, and monographs. Their annual conference meets in October.

### Society for Information Technology and Teacher Education c/o AACE

P.O. Box 2966

Charlottesville, VA 22902

Publishes *Journal of Technology and Teacher Education*. The annual conference usually meets in March or April.

## EDUCATIONAL TECHNOLOGY PUBLICATIONS

### Classroom Connect

Wentworth WorldWide Media

(800) 638-1639

Subscription rates: \$39.00 per year, teacher rate

*Classroom Connect* is a helpful guide to the Internet for teachers and students. It gives pertinent how-to's on getting set up and on how to manage the Internet in the classroom.

This publication is helpful for both beginners and advanced Net surfers. Projects from around the world and across the curriculum are listed, as well as many interesting tips for learning with the Internet.

### Electronic Learning: Your Resource for Technology and School Change

Scholastic, Inc.

(212) 505-4900

Subscription rates: \$23.95 per year

*Electronic Learning* informs readers of the latest educational technology products, services, and research on technology in curriculum and instruction.

### Learning and Leading With Technology

(800) 336-5191

ISTE

Subscription rates: \$61.00 or receive a subscription with a membership for \$55.00.

*Learning and Leading with Technology* is for persons interested in the instructional use of computers K-12. The journal emphasizes teaching about computers, teaching using computers, teacher education, the impact of computers on curricula, and administration issues. Includes specific teaching ideas and current research.

### MultiMedia Schools

Online, Inc.

(800) 248-8466

Subscription rates: \$38.00 per year

*MultiMedia Schools* is a practical how-to magazine sharply focused on the needs of school practitioners. Articles, reviews, and columns address issues associated with using electronic information resources in K-12 schools—the Internet, online and multimedia databases, CD-ROM technology, computer hardware and software.

### T.H.E. Journal: Technological Horizons in Education

150 El Camino Real, Suite 112

Tustin, CA 92680-3670

Subscription rates: Free one-year subscription to qualified individuals at educational institutions and in training departments in the U.S. and Canada; otherwise \$29.00 per year.

T.H.E. is filled with research on technology in education and timely announcements about new technology and software.

### Technology and Learning

Peter Li, Inc.

330 Progress Road

Dayton, OH 45449

Subscription rates: \$24 per year (eight issues)

*Technology and Learning* covers all aspects of educational technology with regular features on grants and contests, software reviews, periodical professional development courses

# RESOURCE LIST

designed specifically for technology-using educators, classroom-ready lesson ideas, profiles that schools are successfully incorporating technology into the curriculum, and many other areas.

## TechTrends: For Leaders in Education and Training

(202) 347-7834

Subscription rates: *TechTrends* goes to all members of AECT; annual subscription rate is \$30.

*TechTrends* covers current issues and applications of technology in education. It includes regular topics such as copyright and ethics among others. There are quick updates and interesting mini features on timely topics.

## SERVICES

CompuServe—Adventists Online

Andrews Information Ministry

(800) 260-7171 or (616) 471-6083

There is a \$7.00 flat monthly rate for accessing the private forum in addition to the \$9.95 monthly charge for five hours of basic services. This is a great way to communicate with other Adventist educators and schools.

## VIDEO TRAINING AND INFORMATION

Educational Resources

(800) 624-2926

*Multimedia for Cooperative Learning* - 30 min. \$19.95

NEA Professional Library

(203) 933-5276

*Technology in the Classroom* - \$15.95

*Integrating Technology* - \$15.95

NASA Central Operation of Resources for Educators

(216) 774-1051, ext. 293

*Global Quest: The Internet in the Classroom* - 11 min.

\$15.00

Microsoft Select Program  
Novell Campus License Agreement

The General Conference now has master license agreements with Microsoft and Novell corporations that allow schools a selection of their products at very competitive educational

prices, including applications, system software, and network software. The GC has contracted with a company called Software Spectrum to handle our orders. Software Spectrum has a dedicated 800 line just for the SDA account. To get more information or order catalogs, contact Ronald Herr, Director of Information Systems Services at the General Conference. His phone is (301) 680-6960, and his CompuServe address is 74617,2044.

## ANNOUNCEMENT

### Family Life Conference Scheduled

The 22nd annual Family Life International Conference will be held August 5-12, 1996 at Andrews University, Berrien Springs, Michigan. A second conference is set for August 19-26 at Caribbean Union College in Trinidad. The theme for both is "The Seasons of Family."

Three modules are being offered: Family Law and Public Policy, Family Ethics, and Family Resource Management. This conference will provide

stimulating programs for educators, students, pastors, counselors, parents, and couples to enrich their marriage and family relationships. Call (616) 471-6366; fax (616) 471-6374; send e-mail to: millie@andrews.edu or mail to Rm. 214, Bell Hall, Andrews University, Berrien Springs, MI 49104 for more information.
