

Going on a God Hunt

Ask God to help you see Him through the day. Then look for Him in the following ways:

1. An answer to a specific prayer request.
2. Promptings of God. For example, He will prompt you to encourage someone, or to advise or help someone, or for you to check on something
(*example*: prompting to check the ignition before locking the car door, etc.)
3. Unexpected resources that He provides to bless you or to put you in a position to bless someone else.
4. An unexpected outcome. Look to see how God provides in unexpected ways.

During the day talk with others and ask them where they have seen God.
