

'You've Got Mail!': integrating faith & reading bulletin board

Interactive Bulletin Board—'You've Got Mail!' in red (Jesus' words in the Bible are written in red). Parable title, storyboard of each parable, making into a spider map of student 'text-messaging' responses of what this means for their lives.

- essential skills- reading:
 - o reading fluency through reading of Bible texts
 - o sequencing and comprehension through storyboarding (also covers art)
 - o key words/vocab (15% of storage full)
- technology:
 - o cell phone text messaging (using the computer and cell phone texting terminology)
